*Our church, our youth, our future...*

## Pastor's Corner

*Wow! Our first "heart" St. Mary's weekend was an overwhelming success that brought a new flavor to the community with the International Food Festival. All three days brought many volunteers together to make every event run smoothly, which led right into the next event that came the next day. It took a lot of planning, coordination, and dedication to make these three days happen, and some may have thought that it would be impossible to pull off, but the grace of God, and the collaborative efforts of the entire community brought different heritages together in an amazing way that only strengthened our St. Mary's family. I want to THANK everyone who had a part in making this past weekend happen here at Our Lady of Perpetual Help. As we look at our Church, our Youth, our Future; we must be encouraged what we see happening. As I say, AMEN!!!*

*In humble gratitude,  
Fr. T*

### Ash Wednesday, A Lenten Journey - Feb 22

Lent is a season of prayer, fasting and almsgiving to prepare our hearts for the great feast of Easter. As we get ready to begin this season, think about how you can enrich your prayer life - maybe daily Mass or Bible readings or spending time before the Eucharist. When you fast choose **something that is meaningful... for example if you fast from candy, give some of the money that you would have spend on candy to help the poor; or if you are fasting from tv use the time to read the Bible or pray or do good for others.** **This Lent, take seriously Jesus invitation: "Come to Me all of you who are weary and find life burdensome and I will refresh you." (Mt 11:28)** Please join us in the chapel for Eucharistic Adoration of the Blessed Sacrament this Friday following the 8:30 mass and going until 8:00 pm. Everyone is welcome. Spend as much or as little time as you can. Contact Jackie at 917-0458 or Theresa at 926-3114 or Caroline at 924-9952 evenings, or just stop by.

### PRO-LIFE ORATORY, ESSAY & DRAWING CONTESTS

Drawing, essay and speech entries are being accepted from grade school, middle school and high school students for the 2012 Oregon Right to Life Education Foundation Oratory, Essay and Drawing Contests. Winners at the local

Video games can be hidden energy suckers. A game console can add as much as \$160 to your annual power bill. Have your children power down when not in use.

#### "CUB SCOUT PACK 377 ALLANN BROS COFFEE SALE

Cub Scout Pack 377 will be selling several varieties of Allann Bros. ground coffee and other Allann Bros. products outside Coastal Farm and Fred Meyer during several weekends in February and March. All proceeds from these sales are used to send boys to Cub Scout summer camp, many of whom would not otherwise be able to afford camp. When you see Pack 377 out there, please consider picking up some great coffee. Your support is greatly appreciated!"

#### Relay for Life

**St. Mary's is signed up again to participate in this year's American Cancer Society's Relay for Life. This year's overall theme is The Magic of Relay. The event will be held on June 22-23, 2012 at West Albany High School! We will be**

doing fundraisers throughout the year but anyone at any time can go on-line and sign up or make a donation towards our event. Check out the website at <http://relayforlife.org/albanyor>. Bunco is back again and scheduled for June 1 at 6:00 p.m. We are hoping for another opportunity to play but we are trying to figure out another date. We will have a kick-off team meeting on Sunday, February 19, 2012 in the Peace House starting at 9:45 a.m. We are also looking for walkers for the event. Please contact Kathie Caldwell-Sullivan at 760-1620 to sign up for a time or if you have any questions. Hope to see you there!

#### Our Sister Parish

**This Lent we will help our Sister Parish, St. Mary's in Honduras to continue building their church.** They are building their church literally brick by brick. The bricks are made on site and then added to the church as finances permit. Each brick is approximately 75cents. We are asking each parish family to consider giving up something this Lent so that you can give to this project. Michele Fief is making a model **church and we will attach "bricks" for each 75 cents donated.** Please consider giving what you can. Also, please spend some time each day in prayer for our brothers and sisters in Honduras. Thank you and God Bless!

## End public funding of abortion in Oregon

Since 1984, Oregon taxpayers have spent literally tens of millions of dollars on abortions. Here are the facts.

**A third of all abortions are publicly funded. That's 65 abortions** funded per week.

**\$452** is the average price of a taxpayer-funded abortion in Oregon.

**\$1.58 million** of state taxpayer money is spent on thousands of abortions each year.

**1 in 13** Oregon is one of only 13 states that requires its residents to pay for abortions, by court order.
